# MUHAMMAD YUSUF SEPTIAN

085786214593 | yusufseptian39@gmail.com | www.linkedin.com/in/yusuf-septian | https://github.com/yusufseptian

Muntilan, Magelang, Central Java, Indonesia

I have experience as a fullstack web developer, system analyst, and as a project lead on several software development projects. I have more than two years of experience. I master the PHP and Javascript programming languages and master the Codeigniter and Laravel frameworks. besides me too, I have good analytical and problem solving skills. Apart from that, I like learning new things and am easy to adapt.
